

2010

To Whom It May Concern:

Caitlin Hammaren, a 19 year old student, and a local resident, tragically lost her life at Virginia Tech on April 16, 2007. She was actively pursuing a double major in International Studies/Politics and Leadership, with a minor in French. Her many interests included fine arts, chorus, the violin, theater, music, culinary arts, animals and horseback riding. She was involved in Relay for Life, Kappa Kappa Gamma Sorority, volunteering and she was a Resident Assistant for her college dormitory.

Caitlin's love of life and desire to help others will live on through **The Caitlin M. Hammaren Memorial Foundation**. The foundation's focus is to aid students and children, in the form of scholarships and grants, who share Caitlin's love of the fine arts.

The third annual **5K4 Caitlin** race, walk and children's fun run and family event will be held **May 29, 2010** at the **Bella Vista Holiday Spa** in Westtown, New York. This fundraising event will include raffles, musical entertainment, wine tasting and a barbeque.

We would like to request your assistance in the form of a sponsorship, monetary donation, gift certificate or product donation. Your generosity is greatly appreciated.

If you have any questions please call (845) 726-4499 or (845) 726-3848

Sincerely,  
Friends of Caitlin
